100% BOARD PARTICIPATION:

This award recognizes those credit unions when their boards of directors contribute to the PAC at an average \$25 or more in a given year. (Note: 100% participation is not required. This award is based on the total amount received and not on each member giving a contribution.)

Example: A board of 7 members would have to contribute at least \$175.

GOLD KEY AWARD CONTRIBUTION:

Awarded to those credit unions who have completed 100% Board and whose employees contribute a minimum aggregate amount on line 6 as determined by the following worktable (Note: 100% participation is not required. The credit union's employees could raise this amount in any combination of contributions to be eligible for this award.):

Manager/President	\$100.00
Assistant Manager/Vice President	\$50.00 each
Other Salaried Employees	\$25.00 each
Hourly Employees	\$10.00 each
Part Time Employees	\$5.00 each

Example: ABC Credit Union has 1 CEO, 1 Asst. Mgr., 4 full-time hourly employees, and 2 part-time employees. The amount required to be raised by the employees would be \$200.
 $(1 \times \$100) + (1 \times \$50) + (4 \times \$10) + (2 \times \$5) = \$200.$

The achievement of the goals will be on a dollar amount raised rather than each member participating. Individual contributions over \$50 will be credited toward other awards programs such as the TCUL PAC Capitol Club. Please remember that credit unions cannot provide "days off" or other job related functions as incentives to achieve these contribution awards. You may have a voluntary lunch to explain the program.

Recognition will include a one-time plaque with a plate designating the year and level of achievement. Certificates of appreciation recognizing the highest level of recognition will be prepared and forwarded to the credit union for appropriate presentation to each contributor. Credit unions will also receive appropriate recognition at the following TCUL Annual Meeting & Convention.

Remember, you may not make a contribution in anyone else's name. This violates federal law. We have altered this program to reflect a dollar contribution rather than basing it on individual participation to resist the temptation to make a donation for a board member or employee.

PLEASE MAKE CHECKS PAYABLE TO: TCUL PAC/CULAC. All contributions will be credited toward your chapter's goals. Contributions to TCUL PAC are: split between CULAC and TCUL PAC if your credit union has a signed permission agreement on file, are not deductible for federal income tax purposes, must be voluntary, and people have the right to refuse to contribute without fear of reprisal.
